

Whitley Church Project - May 2018 Survey Results

The results received from both our online survey and paper based forms are collated on the following page. There was a very positive result from the survey with approximately 33% of the community responding. Detailed results by question can be viewed on the following pages, but in summary the results are as follows:-

1. A high number of responses to our questionnaire live in Whitley
2. Only 1 person did not know that the church was facing possible closure
3. Two people said they did not want the church to remain open
4. The majority of responses said that they want the church to remain open
5. The majority wanted to see the church remain a s joint place of worship and community centre
6. A wide variety of “groups” would like to be run in the community centre
7. Over 40 people said that they would like to help towards keeping the church from closure in some way.

To see a detailed breakdown of the results to individual questions, see the pages below....
