<p><i>The parish council intends to take a direct approach to resolving some of these issues by providing funding, or seeking third party funding. If the PC uses any of its funds, these might impact on the precept, the local tax which forms part of your SDC Council Tax. As an example, a 20% increase in the precept, providing over £2000 annually, would mean approx. 0.4% increase in the overall Council Tax for a Band D property</i></p>			
The parish council should NOT provide any extra local monies for these projects	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The parish council could contribute funds for this, but savings should be made elsewhere to pay for them	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A modest increase in the precept to kick-start these measures is worthwhile	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The parish council SHOULD help to fund these important measures. A costed increase in the precept is acceptable	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
